

## *Policy Statement*

Terra State Community College (TSCC) provides students with a variety of opportunities for student activities. These activities are an important part of the college experience and allow students to engage in the life of the college.

## *Policy Details*

1. Recreational activities, intramural sports, and health and wellness activities are offered through the Student Activities Center.
2. Musical groups and events are coordinated through the College's Music department.
3. Art shows are coordinated through the appropriate Academic Division departments.
4. Technology events are offered through appropriate Academic Division departments.
5. Student organizations are encouraged to organize activities to enhance campus student life and development.
  - a. Student Organization advisors and the Dean of Student Success must approve campus activities sponsored by student organizations to ensure that College policies and procedures are being followed, that the activities are open to the student body, and that adequate funding is available for the activities.
  - b. Campus activities planned by student organizations should request approval one month in advance of the planned event date.

## *Resources*

1. **Terra State Event Calendar** - <http://www.terra.edu/calendar/?com=send&IID=121>
2. **College Catalog** - [http://www.terra.edu/degrees\\_programs/academic\\_calendar.php](http://www.terra.edu/degrees_programs/academic_calendar.php)
  - a. Includes institutional policies and the Student Code of Conduct which governs individual students and student organizations.
