Parent Refusal

My parent(s) do not want to provide their information on the FAFSA. To approve a Federal Direct Unsubsidized Loan, we require the following certification from the parent.

PARENT REFUSAL CERTIFICATION

I understand that by refusing to provide information on the FAFSA my child will not be considered for Federal Pell Grant, other federal or state grants, work-study, or Federal Direct Subsidized Loans. I understand that my child will only be eligible for a Federal Direct Unsubsidized Loan, which may not cover all the educational expenses. I also understand that I am able to make a correction to the FAFSA to enter my financial information so my child can receive full financial aid consideration and that doing so does not obligate me to borrow educational loans on my child's behalf or pay my child's tuition or other charges.
