

# KidsCollege 2009

**KidsCollege** at Terra Community College has brought academic enrichment for sixteen years to more than 4,500 1<sup>st</sup> through 8<sup>th</sup> graders. KidsCollege is a great opportunity to make new friends and to be on a college campus! Offerings vary from year to year and include classes in art, computers, dance, history, language, math, music, science and "fun stuff."

KidsCollege is designed for students entering 1<sup>st</sup> grade through 8<sup>th</sup>. We recommend that students register for classes for the grade in which they will be entering in the fall. **Each class meets for 1 1/2 hours per day for the entire week (Monday – Friday).**

A confirmation will be mailed to your home. Please be advised that you will be required to be with your child at sign-in and sign out. Parents are welcome and encouraged to visit any class their child is attending!

**Early Registration Discount:** Register a student for classes by June 19<sup>th</sup> and receive a 10% discount.

**Family Registration Discount:** Register for 3 or more courses from the same household and receive 25% off the total!

• *Only one discount per registration is applicable.*

## 5 Ways to Register!

- ✓ **email:** Send your information to us at [kern@terra.edu](mailto:kern@terra.edu)
- ✓ **fax:** 419.334.9414
- ✓ **phone:** 800.826.2431 or 419.559.2255
- ✓ **walk-in:** Ask for Marsha
- ✓ **mail:** Kern Center, 2830 Napoleon Road  
Fremont, Ohio 43420

## July 13th – 17th

Class times are 8:30AM – 10:00 AM and/or 10:15AM – 11:45AM

Course #	Course Name	Time	Grades	Cost
D16001	Cool Cuisine	8:30	1–2	\$50.00

**CLASS SIZE IS LIMITED...REGISTER NOW!**

# THE CREATIVE ARTS

## Cool Cuisine

Learn how fun cooking can be without actually being in the kitchen and turning on an oven! In this class you will be making lots of fun treats to eat and share including cool drinks, snappy snacks and delicious desserts. You will also be making a cookbook to take home at the end of class.

**NOTE:** Class not recommended for students with severe food allergies.

**Kim Meek**, *Fremont City Schools*

Course #D16001	8:30 AM	Grades 1-2	\$50
Course #D16017	10:15 AM	Grades 3-4	\$50

## Digital Time Capsule

Learn to apply creative features of photo editing software to have fun with your photos! Use Terra's computer lab to manipulate your photos using customized animation and other functions of the program. You'll make a book and a great PowerPoint slide show. Print, bind, and make a book about your life! Save it to share at your high school graduation!

**Requirement:** Be prepared to bring in on a disc or memory stick, pictures of your family, room, best friends, pets, favorite toys, home, family car, etc...!

**Deb Lonneman**, *Port Clinton City Schools*

Course #D16021	8:30 AM	Grades 5-8	\$50
Course #D16018	10:15 AM	Grades 3-4	\$50

## Groovin Guitar

Learn the basics of how to play the guitar in a group setting. You will learn about tuning a guitar, playing techniques, chords, strum patterns, introduction to note reading and fret board harmony. By the end of class you should expect to be able to play a series of chord changes. There is an optional book available for purchase in the CollegeStore.

**Requirement:** You will need to bring a guitar to class. Class size limited to 8.

**Dave Lester**, *Terra Community College, Music Academy*

Course #D16029	10:15 AM	Grades 5-8	\$50
----------------	----------	------------	------

## Rags to Riches

This is an introduction to faux painting. Learn the basics of designing and painting wall murals. This is the perfect class for the interior design enthusiast that wants to spruce up their bedroom walls. Learn from a talented expert the various styles of faux painting including rag rolling, sponge painting, color washing and bag rolling. Students in this class will want to wear old clothes and be ready to have lots of creative fun while they paint a group mural!

**April Carroll**, *Sandusky, Ohio*

Course #D16012	8:30 AM	Grades 3-4	\$50
----------------	---------	------------	------

## Razzle Dazzle

Experience music and movement as you learn the songs and traditional cultural dances from around the world. This course spans the hemispheres and combines cultural songs, dances and modern free movement to both classical and modern music.

**Katie Klein**, *Ashland University, Bachelor, Music Education*

Course #D16013	8:30 AM	Grades 3-4	\$40
Course #D16006	10:15 AM	Grades 1-2	\$40

## That's Frosting on the Cake!

Find out how you can learn the art of baking and decorating wonderful cakes, cookies and cupcakes for your friends, family and school! Students will learn the basic essentials of cake decorating and cake decorating products. Plan to get some frosting on you with lots of hands-on activities including learning to make star shapes, zigzags, popular shell borders and flowers! **Note:** Not recommended for students with food allergies.

**Richanna Smith**, *Terra Community College, Community Education*

Course #D16014	8:30 AM	Grades 3-4	\$50
Course #D16030	10:15 AM	Grades 5-8	\$50

## Treats and Tablescapes

Learn to make awesome appetizers for your family and friends that don't cost an arm and a leg! Learn artistic and easy ways to set and decorate your table. Don't tell anyone but you will also improve your table manners

and dining etiquette along the way! Plan your next get together with family and friends and have the hottest menu and coolest looking table in town! **NOTE:** Class not recommended for students with severe food allergies.

**Norma Cleveland**, *Terra Vue and AVI*

Course #D16024	8:30 AM	Grades 5-8	\$50
Course #D16031	10:15 AM	Grades 5-8	\$50

# MATH, SCIENCE & TECHNOLOGY

## Buggin Out

Crawl, jump or slither into class ready to explore the world of bugs and insects. Take a closer look at insects, arachnids and other creepy, crawly creatures up close and personal. Be prepared to go on an adventurous bug hunt. This is not a class for the faint of heart!

**Stacie Lowery**, *Fremont City Schools*

Course #D16005	10:15 AM	Grades 1-2	\$40
----------------	----------	------------	------

## Computer Game Design

Learn the basic fundamentals of computer gaming. You will be designing your own game to take home and play! You will be learning appropriate gaming jargon, objects (entities) (such as monsters, doors, etc.), rooms, sprites (animated images), sounds and backgrounds. The software used is great for first time game designers.

**Brandon Lehmann**, *Bit Radius, Owner/Lead Developer*

Course #D16020	8:30 AM	Grades 5-8	\$50
Course #D16027	10:15 AM	Grades 5-8	\$50

## Crazy about Horses

This course is for the novice or beginner who has had little or no exposure to horses but is crazy about horses! Sanderson Stables will cover: safety, what you do before riding, parts of the horse, tack, types-markings-styles of the horse, horse care and terminology. This class is designed to teach you the basics of horsemanship. See demonstrations of the Western & English style of riding. The work book entitled "Equine Basics" will be used and included in the price of this course.

**Carla Sanderson**, *Sanderson Stables, Cygnet*

Course #D16008	10:15 AM	Grades 1-4	\$60
----------------	----------	------------	------

## Floating Food and Puffy Faces – Is Living in Space Just Like Life on Earth?

How do the astronauts go to the bathroom in space? See the astronaut's home including where they sleep, how they eat and experience how astronauts adapt to their new home with interactive demonstrations. Your class will discover the everyday challenges of how astronauts live in orbit live from a mock-up of space station living quarters! It doesn't get any closer to home than this. This class will connect to **NASA's Houston Space Center** for a live video class during the week.

**Adam Hellman**, *Bit Radius*

Course #D16028	10:15 AM	Grades 5-8	\$60
----------------	----------	------------	------

## Going Green

New this summer! Learn how to live a green life with the 3 R's (Reduce, Reuse and Recycle). Join the education specialists from the Ottawa-Sandusky-Seneca Solid Waste District as we discover ways to protect our earth by recycling and conserving natural resources. The session will be packed with educational and FUN hands-on activities for your young environmentalist!

**Amy Drummer**, *Ottawa, Seneca, Sandusky County Solid Waste District*

Course #D16007	8:30 AM	Grades 1-4	\$40
----------------	---------	------------	------

## More Chocolate, Please

If you LOVED last year's class about chocolate, then this class tops it off! What can be better than getting to eat chocolate – LEARNING! You will be so busy with the chocolate that you won't even know that you're learning math and science. **NOTE:** Class not recommended for students with severe food allergies.

**Stacie Lowery**, *Fremont City Schools*

Course #D16011	8:30 AM	Grades 3-4	\$50
----------------	---------	------------	------

## Nature Explorer

This class is a Kids College ALL TIME FAVORITE! Discover the great outdoors with Linda and share her love of little people with her love of our area natural resources. This class is all hands-on, so be ready to get dirty and touch nature and bugs and other area animals. You will explore animal habitats in and around the creek, woods and prairie on Terra's campus. Please dress according to the weather as class will be outdoors.

Linda Rose, Sandusky County Parks District

Course #D16003 8:30 AM Grades 1-2 \$40

## Rev it Up

Ladies and Gentleman, start your engines! This course will give you a hands-on tour of the Terra Community College sponsored race car driven by Andy Carroll. As you are introduced to machining and computer-aided design, learn more about the parts, system, performance and the importance of safety equipment. Learn just how it all fits under one hood! Andy shares with you how you can design in the future!

Andy Carroll, Race Car Driver & TCC, Professor, Mechanical Engineering

Course #D16022 8:30 AM Grades 5-8 \$50

## Under Pressure – TO POP OR NOT TO POP

Speeding along at 28,000 kilometers an hour in the vacuum of space is risky business. So, what is so special about the space suits astronauts wear? How do they protect the astronauts from the dangers of space? Students will explore Pascal's Law with a series of vacuum chamber experiments and learn why pressurized space suits are so important. Students will put their engineering skills to the test as they construct their own space suit to protect their balloon astronaut from the impact of micro-meteorites. This class will connect to **NASA's Houston Space Center** for a live video class during the week.

Adam Hellman, Bit Radius

Course #D16016 8:30 AM Grades 3-4 \$60

## HISTORY & LANGUAGE ARTS & SOCIAL SCIENCE

### Arret Flog Safari V

Come and explore what ancient Indian tribes called Northwest Ohio home. You will spend some time indoors learning about the many tribes of the area but the majority of class time will be spent on an actual archeology dig. You will have the chance to dig on a former historical site on Terra's grounds. Be prepared for an adventure, rain or shine! Parents are welcome to join in the adventure! **Please bring to class with you each day an extra set of clothes, shovel and other hand-held digging equipment.** If you've missed previous summer's "Arret Flog Safari" classes, don't worry - it's not too late to join in the dig!

Jeff Joerg, Terra Community College

Course #D16026 10:15 AM Grades 5-8 \$40

### Medieval Camp

Dave Mowery will lead students through a week of renaissance. Students will discover castle life, as well as create their very own castle. They will also work to create their own individual coat of arms, and study famous knights and people of medieval times.

Dave Mowery, NCOESC, Talented and Gifted Coordinator

Course #D16002 8:30 AM Grades 1-2 \$50

### Sign Language

Join us for an exciting adventure into the silent world of the deaf community with American Sign Language! You will not only learn the alphabet, but many signs to communicate with your friends, teachers and family. Learn more about the challenges the deaf community faces as we enter the age of technology and education!

Tiffany Thornbury, Terra Community College

Course #D16023 8:30 AM Grades 5-8 \$40

Course #D16010 10:15 AM Grades 2-4 \$40

## Time Travel

Join the Sandusky County Park District's education specialist as you step back in time. Experience how life was really like for Native American and Colonial children and families. Learn more about your ancestors that discovered and built up the Black Swamp Region of Ohio. As you travel back in time, this course combines a sense of adventure with hands-on activities!

Debbie Haubert, Sandusky County Parks District

Course #D16015 8:30 AM Grades 3-4 \$40

## Where in the World is MR. M?

Dave Mowery presents a series of creative activities that will have students covering all seven continents. Map and compass skills are presented as students work to navigate across oceans, rivers and mountains. With the proper survival skills, and mapping knowledge, learn just how you could be the next winner of the Amazing RACE!

Dave Mowery, NCOESC, Talented and Gifted Coordinator

Course #D16019 10:15 AM Grades 3-4 \$50

## LET'S GET PHYSICAL!

### Tiny Toes

Come to class ready to learn the basics of ballet! This is a great class if you are not sure you're ready to take on dance lessons. Class will include many techniques used in ballet. No special dancewear is required but ballet shoes would be beneficial. You should plan on wearing athletic shorts and a t-shirt.

Brooke Fleming, The Ballet School, Port Clinton

Course #D16004 8:30 AM Grades 1-2 \$40

### Fields of Green

Join Bryan Ferres as he introduces you to skills needed in a variety of field games. From Soccer to Ultimate Disc Golf and more! As a state javelin thrower from Miami University, Bryan brings his talent for teaching sports to Kids College. **Requirement: Bring your soccer ball and let's get moving!**

Bryan Ferres, Physical Education Instructor, Maumee

Course #D16009 10:15 AM Grades 1-4 \$50

### Tennis Techniques

Teaching kids to play tennis can be both fun and exciting as they learn a sport they can play for a lifetime! This course will focus on tennis for the beginner as they will learn the fundamentals of tennis. **Requirement: Please bring your own tennis racquet and plan on wearing shorts and a t-shirt!**

Bryan Ferres, Physical Education Instructor, Maumee

Course #D16025 8:30 AM Grades 5-8 \$50

**KidsCollege T-Shirts will  
be available in the  
CollegeStore**
