at 419-559-2350

Registration Begins Oct. 27 for Spring Semester 2010 at Terra

Registration for Spring Semester 2010 classes begins Oct. 27 at Terra Community College.

New students wishing to register are being asked to contact the Office of Admissions and Enrollment Services in Building A, Suite 100, or by calling 419-559-2149.

Current students are being encouraged to schedule an advising appointment with their faculty or academic advisor before registering for classes. Students can identify their assigned advisors by visiting their student portal and clicking on the Myadvisor link.

"We are expecting another strong enrollment for Spring semester. I would suggest that anyone wanting to take classes should register early to get the best course selection possible," said Heath Martin, Director of Admissions and Enrollment Services.

Tuition remains at \$123.84 per credit hour, which is among the most reasonable in the state.

Students can choose from nearly 100 degree and certificate programs, or complete the first two years and transfer to finish a bachelor's degree at a four-year college or university.

Course schedules are online at www.terra.edu.
