

TERRA COMMUNITY COLLEGE
 Technology and Workforce Development
 And Vanguard Career Center
 Articulation Agreement
 Effective for 2008 Graduates

VANGUARD PROGRAM	TERRA COMMUNITY COLLEGE PROGRAMS	ARTICULATION CODE (see below)	COURSE TITLE	CREDIT HOURS
<i>Auto Technology</i>	Power Technology	1	AAD 1120 Auto Engines	4
		1	AAD 1150 Introduction to Auto	3
<i>Electrical Trades</i>	(HVAC) Heating, Ventilation & Air Conditioning	1	EET 2240 Electrical Codes & Prints I	3
		1	EET 1050 Electricity I	3
		1	EET 2240 Electrical Codes & Prints I	3
<i>Welding Fabrication Technology</i>	Welding	1	EET 1050 Electricity I	3
		1	EET 2240 Electrical Codes & Prints I	3
		1	EET 1050 Electricity I	3
<i>Welding Fabrication Technology</i>	Welding	1	WET 1135 SMAW Welding Theory	2
		1	WET 1140 Welding Lab	2
		1	QCT 1020 Blueprint Reading	2
<i>Precision Machining</i>	Manufacturing Engineering	1	MET 1130 Introduction to Machining Processes	2
		1	MET 1140 Introduction to Machining Processes Lab	1
		1	QCT 1020 Blueprint Reading	2
<i>Masonry</i>	•Course may be used as a technical elective in the Engineering and Industrial Technology Division in an appropriate major	1	QCT 1020 Blueprint Reading	2
<i>Carpentry</i>	Architectural Construction Engineering	1	ADT1120 Construction Methods and Materials	3
<i>Printing Occupations</i>	Digital Arts and Media Design Design for Print Major	1	DMT1000 Introduction to Print Processes	3
<i>Business Software and Technology Program</i>	Office Administration	1	CIT1090 Computer Fundamentals <i>Students may be eligible for additional articulated credits by successful completion of the MOS certification in Word, Excel, Access and PowerPoint</i>	3

Articulation Codes:

1. Credit upon completion of Vanguard program (“B” or better) if enrolled at Terra within two years of graduation. Students must provide an official high school transcript to receive articulated credit.

* Articulated courses may be used for technical electives in an appropriate major.
