

ARTICULATION AGREEMENT

**Terra State Community College
Technology and Workforce Development Division
And
Sandusky Career Center in Sandusky, OH
Effective beginning with 2009 Graduates**

This agreement is based on a review of the Computer-Aided Design (CAD) Program at Sandusky Career Center in Sandusky, OH and courses offered in the Technology and Workforce Development Division at Terra State Community College as of the date of this agreement. A joint faculty and administrative discussion, review and evaluation of the content established the following agreement:

Students completing the CAD Program at Sandusky Career Center in Sandusky, OH will receive advanced credit, as it applies, towards an associate degree in;

*Mechanical Engineering Technology
Manufacturing Technology
Architectural Construction Management*

To be eligible for advanced credit applicants must meet the following criteria:

1. The student must enroll at Terra State Community College within two calendar years after having graduated from the CAD Program of Study at the Career Center in order to be eligible to receive articulated credits defined in this agreement.
2. The student must have graduated from the CAD program at the Career Center with a minimum grade point average (GPA) of a 3.00 (B average) on a 4.00 scale.
3. The student must submit a letter/form to the Dean of Technology and Workforce Development at Terra State Community College signed by the Director of the Career Center stating that the student petitioning for articulated credit has successfully completed the requirements of the secondary two-year CAD program, the date of the student's high school graduation and the CAD program cumulative grade point average.
4. The student submits an official high school transcript to the Records Office at Terra State Community College.

Upon successful completion of the two-year CAD Program at Sandusky Career Center, the student will be eligible for articulation credit at Terra State Community College for the following courses as they apply to his/her major:

- CAD 1240 Architectural CAD
- ADT 1110 Architectural Drafting
- CAD 1110 CAD I
- CAD 1320 CAD II
- QCT 1020 Blueprint Reading

Articulation credit will be awarded using the following process:

1. Credit will be awarded upon completion of 10 semester hours of 100 level courses with a "C" or better at Terra State Community College.
