Terra Community College Celebrates Hispanic Heritage Month

On Oct. 19, Terra Community College will welcome the 2009 Best Novelty Artist Nominee, "Salsa Magic," to campus as part of a Hispanic Student Retention Initiative.

Salsa Magic is an interactive Salsa Dance party that will have all students out of their seats learning new dance moves and making friends.

Terra has worked very hard over the past year to diversify its student population and this program is the perfect way to celebrate students of Hispanic heritage and help them to build a connection to the campus and other students. It is also a great opportunity for students to learn about a new culture all the while having fun.

The event begins at noon and takes place in the Student Activities Center. For more information, please contact Jessica Bayer, Coordinator of Student Activities, at 419-559-2151.
