

**Addendum**  
**to the**  
**Master Articulation Agreement**  
**by and between**  
**Ohio University and Terra State Community College**

This Addendum to the Master Articulation Agreement (“Addendum”) is entered into on July 1, 2023 (the “Effective Date”) by Ohio University (“University”), with an address of Athens, OH 45701; and Terra State Community College (“College”), with an address of 2830 Napoleon Rd, Fremont, OH 43420 collectively referred to as the “Parties.”

**WHEREAS**, University and College entered into a Master Articulation Agreement effective July 1, 2017 (“Agreement”);

**WHEREAS**, the Parties wish to supplement the Agreement to allow for students of the College to be eligible for articulated course credits at University; and

**WHEREAS**, the terms contained in this Addendum are specific to the degree program at each institution as set forth below.

**NOW, THEREFORE**, in consideration of the promises and mutual covenants contained in this Agreement, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Degree Program(s).
  - a. College: **Completed associate degree or 60 semester hours** (“College Degree Program”)
  - b. University: **Bachelor of Technical & Applied Science (BTAS)** (“University Degree Program”)
2. Term. This Addendum will commence on July 1, 2023 and terminate on June 30, 2025.
3. The University Degree Program will be delivered in the following modality(ies): Online and on-campus course offerings.
4. The College Degree Program is accredited by the following accrediting body/program certification: Higher Learning Commission.
5. Designated representatives from each institution will confer annually to review this Addendum as necessary, based on curriculum changes. Articulation courses may be added or removed from the articulation table at that time.
6. This Addendum defines a pathway by which a student could articulate the College Degree Program into the University Degree Program. Due to individual student factors, including but not limited to part-time or full-time status, need for developmental coursework, scheduling and availability of courses, all students may not be able to complete the listed pathway in the time projected. This Addendum does not guarantee the completion of a baccalaureate in four years, or in two years beyond the associate degree level.

### Bachelor of Technical & Applied Studies Online Program Pathway

The student may formally enter the Bachelor of Technical and Applied Studies (BTAS) program after completing 60 credits within a specified major or field of study. The BTAS is designed to complement previous coursework and experiences by studying the theory and practices that lead to organizational effectiveness. An overview of leadership, the use and function of work groups and teams, and why diversity benefits the organization are applied in the classroom and in a capstone experience. Students are able to customize their BTAS degree with a certificate, minor, or selected electives to complement their background, or employer/career interests without taking additional credits. The BTAS builds upon the technical skills developed within associate degree programs by providing the knowledge and professional skills that employers seek and are necessary for career advancement.
