

## **ARTICULATION AGREEMENT**

**Terra State Community College  
Engineering and Industrial Technologies Division  
And  
Technology Center in Fremont, OH  
Effective for 2006 Graduates**

This agreement is based on a review of the Computer Assisted Design (CAD) Program at the Technology Center in Fremont and courses taught in the Engineering and Industrial Technology Division at Terra State Community College as of the date of this agreement. A joint faculty and administrative discussion, review and evaluation of the content establishes the following agreement:

Students completing the CAD Program at the Technology Center in Fremont will receive advanced credit towards an associate degree at Terra State Community College provided they meet the following criteria:

1. The student has graduated from the secondary school with a minimum grade point average of 3.00 on a 4.00 scale in the CAD Program.
2. Official transcripts have been submitted to the Registrar's Office at Terra State Community College.
3. The student is recommended by the CAD faculty.
4. The Technology Center has certified that the student has successfully completed all the requirements for the CAD Program.

Upon successful completion of the CAD Program at the Technology Center in Fremont, the student will be eligible for articulation credit at Terra State Community College for the following courses as they apply to his/her selected major.

- ADT 111 Architectural Drafting I
- CAD 111 Introduction to CAD
- CAD 131 CAD: Mechanical/3D
- QCT 102 Blueprint Reading

Articulation credit will be awarded using the following processes:

1. The courses students receive articulated credit for will be added to their transcript once the student has completed the next higher level course and presents his/her Career Passport to the Dean of Engineering and Industrial Technologies at Terra

State Community College. It is the student's responsibility to present their Career Passport to Terra State Community College.

2. In the event that the course is not a prerequisite for another course, credit will be awarded upon completion of 15 quarter hours of 100 level courses with a "C" or better at Terra State Community College.

Students at the Technology Center in Fremont will be enrolled in the following Terra State Community College courses while in the Tech Prep program. Students will receive their grades from Terra State Community College for these courses, and the grade will be recorded on the student's permanent transcript at the College. These courses may be applied to the CAD Specialist or other majors at Terra Community College or transferred to another college.

Junior students will enroll in the following courses:

EDU 270	Transition to College	2 credits	fall quarter
MET 108	Manufacturing Survey	3 credits	fall quarter
MET 102	Industrial Safety	1 credits	mini-session
QCT 101	Intro to Quality Control	3 credits	winter quarter
CAD 132	Solid Modeling	4 credits	spring quarter

Senior students will enroll in the following courses

CAD 249	Advanced Solid Modeling	4 credits	fall quarter
CAD 225	CAD: Networking/Custom	4 credits	winter quarter
DMT 110	Fund. of Digital Animation	4 credits	spring quarter
