

This is my 7th year at the Early Learning Center and my second year in the Infant room. I graduated in Early Childhood Education from Terra Community College.

I live in Fremont with my husband Dave. My daughters, Jessica and Andrea attend the University of Toledo. I also have two step-children, David and Christine: and 3 grandchildren, Mercedes, Gabriel and Carmen.

My hobbies include: playing musical instruments, reading and walking at Spiegel Grove. I like to get involved in church activities and volunteer in the Nursery, teach Sunday School and play bass guitar on the worship team. I also volunteer at the Liberty Center, and am a big Indians fan...Go Tribe!
