

Heather Justice

This is my second year as a teacher at the ELC in the Preschool room. I graduated from Terra State Community College in 2004 with an Associates of Applied Science in Early Childhood Education.

I currently live in Vickery Ohio with my husband, Adam, and my son, Quentin. I grew up in the Castalia area and have always lived nearby. I enjoy reading, shopping, and vacationing with my family. My favorite place to visit is Pittsburgh, Go Steelers!
