

## **Equity in Athletics Report**

### **Terra State Community College Men's and Women's Intercollegiate Athletics**

**January 28<sup>th</sup>, 2021 (Reporting Period July 1<sup>st</sup>, 2019 –  
June 30<sup>th</sup>, 2020)**

The Equity in Athletics Disclosure Act (EADA) was designed to make prospective students and prospective student-athletes aware of an institution of higher education's commitment to providing equitable athletic opportunities for its men and women students. The EADA requires the disclosure of information about varsity teams and the financial resources and personnel that the school dedicates to those teams. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15 (or in this COVID-year, by December 31). Institutions must also report data to the U.S. Department of Education via an online survey. This is a mandatory survey. Data collected in this survey is published by the Office of Postsecondary Education on the Equity in Athletics Data Analysis website located at <http://ope.ed.gov/athletics>. In addition, the data collected in this survey is provided by institutions in accordance with the EADA and may not be the same as data used for determining compliance with other Federal or state laws, including Title IX of the Education Amendments of 1972.

Terra State Community College Intercollegiate Athletic Department offers a comprehensive program with varsity sports for both men and women. The Titan men's team competes in basketball. The Titan women's teams compete in basketball and volleyball. Terra State Community College is a member of the Ohio Community College Athletic Conference where they compete in basketball and volleyball. The college is an active member of the National Junior College Athletic Association (NJCAA), Division II.
