Jet-Setting Jamboree  
Terra Foundation Fundraising Event

*United States  
of America*

## **WHAT IS A JET-SETTING JAMBOREE?**

It is a large festive gathering of the international socially elite, traveling from one fabulous, fashionable resort to another.

It's you, of course!

## **WHAT DO I WEAR?**

Well, there's lace, leather, denim, silk, gold thread, precious gems, taffeta, flashy/sassy scarves, and fun and flirty jumpsuits.

Whatever makes you feel good, darlin'!

## **WHEN DO WE PLAY?**

**The festivities begin at 6 p.m.**

First, pick up your passport and consider a stop at the VIP Lounge for refreshments.

Then, make the rounds of the homeland sideboards, from Rio to Marrakech and then Paris, Athens, Sydney and the rest.

## **SPECIAL TREATS!**

### **“Gold Circle Club”**

Become a member of the “Club” by making a small purchase at each sideboard. The stewards will stamp your passport; and when you have collected all 10, you are automatically entered into the Gold Circle Drawing for \$300!

### **“Enoteca Italiana”**

Be sure to stop for antipasto and un bicchiere di vino.

### **“Exotic Fortune”**

A mysterious trunk delivered on the Orient Express promises excitement and intrigue from the flare of two continents.

### **“Grand Bazaar”**

The romantic spirit of old Istanbul is in the air as you shop with the sultans for your favorite treasures.

### **“Russian Vodka Room”**

Where the question of the night is “shaken or stirred?” and the hammer and the sickle become “just hammered!”
