Nursing students “sweep” Napoleon Road

For the second time, members of the Terra Nursing Students Association picked up trash along Napoleon Road from Brush Street to Ohio 53.

On Sunday, April 15, six students and two of their children made the sweep and collected an estimated 100-plus pounds of trash.

Participants included: Michelle Cutshall, Iris Gutierrez and daughter, Stacey Bahnsen and daughter, Colleen Schill, Jacob Frish and Shannon Howell (not pictured).
