5. See corresponding number below for brief description

The screenshot shows a web interface for a 'Degree Evaluation Record'. At the top, there are tabs for 'Personal Information' and 'Student'. Below the tabs is a search bar with a 'Go' button and navigation links: 'RETURN TO MENU', 'SITE MAP', 'HELP', and 'EXIT'. The main heading is 'Degree Evaluation Record'. A yellow bar contains the instruction: 'Select a program to view the most recent evaluation results. If a program has no link you will need to generate a new evaluation before you can view the results.' Below this is a section titled 'Curriculum Information' with a sub-heading 'Primary Curriculum'. A red circle labeled '1' encompasses this section, which lists: Program: Associate of Arts, Catalog Term: Spring 2017, Level: Undergraduate, Campus: (blank), College: Terra State Community College, Degree: Associate of Arts, and First Major: Associate of Arts. To the right, a red circle labeled '2' encompasses a navigation bar with links: '[Previous Evaluations | Generate New Evaluation | What-if Analysis | View Holds]'. At the bottom left, the text 'RELEASE: 8.7.1' is visible.

1 - **Curriculum Information** lists your current major and the catalog term of when you began this major.

2 - This area provides a number of options for degree evaluation:

a. **Previous Evaluations** allows you to view previous degree evaluations that have been generated.

NOTE: Previous evaluations may not reflect newly updated information (grade change, course repeats, etc).

b. **Generate New Evaluation** allows you to generate a new degree evaluation with the information provided under curriculum information.

c. **What-if Analysis** allows you to compare your degree evaluation to a different major that is offered at Terra.

NOTE: This does not allow you to change your major. You must change your major by completing the Records Revision form through the Records Office.

d. **View Holds** allows you to view any active holds that you may have.

6. Select *Generate New Evaluation*

8. Once you have generated your degree evaluation, you will find information that pertains to your degree. Please see the image and corresponding numbers for a brief description.

1 - Your *current major*.

2 - *Catalog term* of when you began your major.

Note: If the catalog year is incorrect, please email recordsdept@terra.edu for correct catalog year.

3 - This area lists your total required credits to graduate, required institutional credits to be taken at Terra, and your cumulative GPA.

Note: The “Used” column represents the number of credits or courses you have completed.

4 - *Concentrations* are specific pathways that may be used for an Associate of Science or Associate of Arts.

Note: You will only be awarded an *Associate of Arts* or *Associate of Science* degree if you choose a pathway. If you have a specific degree (*ex: Nursing, Welding*) disregard the concentration field.
