

Drone Golf Ball Drop Rules and Regulations

OFFICIAL CONTEST RULES & REGULATIONS:

This Drone Golf Ball Drop is presented by Terra College Foundation ("Foundation"). At approximately 8:55 am on September 19, 2025, if weather permits, a drone will drop a load of numbered balls onto a specified area at Green Hills Golf Course 1959 S. Main St, Clyde, OH 43410. The three balls closest to the pin or in the hole and the ball farthest from the pin will win the prizes set forth below. The distance to the pin is measured by the closest point of the ball to the pin as determined by the judges. If more than one ball is equidistant from the pin this will be considered a tie. In an event of a tie, the ball with the lowest ticket number will win the prize. Participants need not be present to win and will be notified by phone or email. In the event of inclement weather, the ball drop will be handled by other means.

Prizes

- First prize winner will receive \$750 cash
- Second prize winner will receive \$500 cash
- Third prize winner will receive \$250 cash
- Farthest from the pin will receive the cost of their ticket back (\$15 cash)

Winners will be announced immediately following the ball drop. All federal, state and local taxes associated with acceptance of a prize are the sole responsibility of the winner. The first prize winner will be required to sign an IRS Form 1099. Winners have 30 days to claim their prize after which time such prize be considered unclaimed and donated to the Foundation to be used in furtherance of its mission. The Terra College Foundation shall not be responsible for any inability of a winner to accept a prize for any reason. A panel of judges will determine the winners, and their decision is final and binding. Any unsold balls become the property of the Terra College Foundation and are not eligible to win. Odds of winning depend on the number of entries received by the deadline set forth above.
